

## RENTERS:

### What do I need to include with my form to claim a rent rebate?

If you are claiming a rent rebate, you must provide proof of the rent you paid. You will need a PA rent certificate for each place in which you resided during the claim year, signed by the landlord or the landlord's authorized agent.

If a landlord's signature cannot be obtained, you must complete and submit a notarized Rental Occupancy Affidavit.

If you are not able to provide a rent certificate or notarized statement, you may submit rent receipts. The landlord or his/her authorized agent must sign each rent receipt showing your name and rented address, the amount of the rent you paid and the time period for which the rent was paid. You must submit receipts for all months you claim. Please do not submit rent receipts if submitting rent certificates or notarized statements.

## SUPPLEMENTAL PROPERTY TAX REBATES

Now that slots gaming is funding statewide general property tax relief for all Pennsylvania homeowners, supplemental property tax rebates are available to homeowners through the Property Tax/Rent Rebate program. These supplemental rebates are automatically calculated by Revenue and are awarded to qualifying low-income seniors who live in Philadelphia, Scranton, Pittsburgh and other parts of the state with particularly high tax burdens. Supplemental rebates may increase base rebates up to \$975.

## When is the deadline to apply?

Applications must be postmarked by June 30. The PA-1000 booklet, used to apply for rebates, is available in late February at [www.revenue.pa.gov](http://www.revenue.pa.gov) or by calling, toll-free, 1-888-222-9190. Once you qualify for your first rebate, the department will automatically send you an application the next year unless you prepared and filed your claim using computer software. If you used software for a rent rebate, the department will send you a copy of the rent certificated for the next year to complete and provide with your software completed claim form. Rebate checks are mailed beginning July 1 each year.

## Can I file a claim form for someone who recently died?

Beginning with claim year 2013, property tax and rent rebate claims may now be filed on behalf of claimants who die during a claim year by surviving spouses, personal representatives or estates. The property tax will be prorated for property tax claims filed on behalf of deceased claimants based upon the number of days the claimant was alive during the claim year. Rent rebate claims filed on behalf of deceased claimants will be paid based upon the amount of rent paid during the claim year. A deceased claimant's household income must also be annualized to determine if he/she is eligible for a rebate. See the PA-1000 booklet for additional information.

If you are filing a claim for an eligible decedent, do not use the preprinted label that may have accompanied an application automatically mailed to the decedent. Depending on your relationship with the decedent, in addition to other documents, you may need to include the decedent's death certificate, short certificate, the Decree of Distribution, or a receipted copy of the decedent's funeral bill.

## What documents can I use as proof of age?

The department will accept copies of birth certificates; Blue Cross 65 Special Cards; church baptismal records; hospital birth records; driver's licenses or PA Identification Cards; naturalization papers (if age is shown); military discharge papers (if age is shown); Medicare cards; PACE/PACENET cards; and passports. Please do not submit original documents.

## What documents can I use as proof of income?

The department will accept as proof of income copies of federal or state income tax returns (including schedules) for the claim year and/or copies of forms 1099-INT, 1099-DIV, 1099-R, W-2 or any document providing the source and type of income as may be necessary. If the address you provided the Social Security Administration was a PA address, you do not need to submit proof of your Social Security retirement and Supplemental Security benefits.

### HOMEOWNERS:

## What do I need to include with my form to claim a property tax rebate?

You need to provide proof the taxes were paid for the year claimed. If you cannot provide a receipted copy of your property tax bill, the department will accept a copy of the tax bill, along with a copy of both sides of the cancelled check used to pay your taxes.

If your name does not appear on the tax bills, proof of ownership must be submitted. Examples include a copy of the deed, trust, will or decree of distribution. If the address is not on the receipted bill or mortgage statement, you must also submit a letter from your tax collector or mortgage company verifying your home address.
